Pace University’s Lienhard School of Nursing in the College of Health Professions seeks multiple Full-time Faculty Members to join our faculty at the Pleasantville (Westchester County) campus. Pace University is an exceptional setting for prospective faculty members seeking a collegial work environment, a focused teaching practice, and excellent scholarship support.

Experience:
We seek one new faculty member to teach in our graduate nursing department.
- Family Nurse Practitioner

We seek two new faculty members to teach in our undergraduate nursing department.
- Adult Health
- Gerontology

Our Ideal Candidate:
- Will have expertise in teaching graduate or undergraduate students.
- Will have a doctoral degree (DNP, PhD, EdD, or other research doctorate).
- Will be expected to contribute to research through publications and extramural funding.
- Will share a deep commitment to effective teaching, develop innovative courses, and mentor students.
- Will have a strong commitment to diversity, equity, inclusiveness, and actively promote diversity.

Recommended Experience:
- A minimum of three (3) years teaching experience (Academic rank and salary is commensurate with educational preparation and experience).
- An active program of research, and a track record of publications and grant activity.
- A background in evidence-based practice and cultural competence.

How to apply:
E-mail cover letter and CV to NurseEducatorJobs@pace.edu. Application reviews will continue until the positions are filled. Pace University is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans and individuals with disabilities are encouraged to apply.

About us:
The College of Health Professions was established in 2010 in an effort to showcase and expand health professions majors at Pace University. The College is composed of the Lienhard School of Nursing, the Pace University-Lenox Hill Hospital Physician Assistant Studies Department, and the Department of Health Studies (which includes the Communication Sciences and Disorders program along with the Bachelor of Science in Health Science. Additional programs in health studies are currently in development).
Our vision is to be recognized for our innovative leadership in education, practice, scholarship, and service to improve health and the health professions. Our mission is to educate and challenge diverse students for the health professions to be leaders, innovators and lifelong learners who will positively impact local, national, and global health. For more information, please visit www.pace.edu/chp and www.pace.edu/lienhard.
